"Believe Grow Persevere Succeed"

Newsletter for Wednesday 23rd May 2018

Dear Parents and Carers,

Everyone in Beech Green should feel very proud of the way they approached the Inter House Athletics on Tuesday. It was a well organised event: all the adults (including trainee teachers) and children encouraged others, cheered their team and helped to make the day run smoothly. The competitive aspect brought out the best in everyone; children demonstrated their abilities with humility, they won and lost with grace and they were thoughtful and considerate. We were extremely proud of the way they behaved throughout. Congratulations to Oak house, who won the Year 3 and 4 competition, and to Elm, who won the Year 5 and 6 races.

Thank you to those of you who supported the PTFA Pamper evening on Friday. It was good to get to know a few more parents in an informal evening. Below is the information to help you get a bit back. The School Lottery Company appears to be a simple, but effective way of parents supporting their local school and potentially winning money. There has already been one lucky winner.

Playtimes and lunchtimes will start to look a bit different after half term. The plan is to zone areas and provide a wider range of equipment and games. The lunchtime staff, school council and children will help to develop this through the summer. Children can choose to go to different areas of the playground and play with friends from other classes. Watch this space for more information.

I hope you all have a lovely half term.

PAG International Children's Day

The Polish Association Gloucestershire (PAG), which is the first Polish organisation with a charity status in Gloucestershire, aims to promote multicultural integration in the region and to celebrate the Polish culture, history and traditions with the local community.

On 2 June 2018 between 12pm and 5pm, they are organising a free event to celebrate International Children's Day. Not so widely known here in the UK, the Children's Day has always been greatly celebrated in Poland and other countries on 1 June. They are holding a big children's party in Gloucester Park, where they are planning many attractions for children and their parents.

Please note that the event is aimed at all children in the region so the official language will be English and guests are not expected to speak Polish.
